

Orbital Motors OMPX100 11186725 Cycloid Motor OMP25 OMP50 OMPX100 11186725/OMP Series Hydraulic Motor Accessories

Our Product Introduction

for more products please visit us on hydraulicmachineryparts.com

Basic Information

- Place of Origin: China
- Brand Name: HALCYON
- Model Number: OMPX50
- Minimum Order Quantity: 1 piece
- Price: Negotiable
- Packaging Details: Wooden Box+Pallet
- Delivery Time: In Stock: 1-3 day(s); Out of Stock: Customization time depend on specific circumstances
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 900 pieces per month

Product Specification

- Warranty: 6month
- Application: Excavator
- Part Name: Swing Motor
- Type: Hydraulic Motors
- Condition: 100% New
- After-sales Service Provided: Video Technical Support
- Highlight: **OMPX100 hydraulic orbital motor, cycloid hydraulic motor accessories, excavator swing motor parts**

Product Description

Orbital Motors OMPX100 11186725 Cycloid Motor OMP25 OMP50 OMPX100 11186725/OMP Series Hydraulic Motor Accessories

Product Specifications

Attribute	Value
Warranty	6 month
Application	Excavator
Part name	Swing Motor
Type	Hydraulic Motors
Condition	100% New
After-sales service provided	Video technical support

Product Overview

HALCYON

Product Description

Key Features

Structural Design - Easy installation: The main shaft has 19 teeth and 14 mounting holes, which facilitates connection with different equipment and is compatible with various machine models.

Compact size - The overall length is 310mm and the total weight is 70kg. While providing strong power, it occupies small space, making it easy to install on equipment with limited space.

Safety Protection - Good braking performance: Equipped with a built-in braking device with large braking torque, it can quickly stop the motor rotation and ensure the safety of the equipment.

Relief valve protection - A main slewing relief valve is provided. When the system pressure exceeds the set value, the relief valve opens to discharge excess fluid back to the oil tank, preventing system overload.

Compatible Models

We can offer perfect interchangeable replacements of many world's renowned brands including Rexroth, Eaton, Parkers, Kawasaki, Tokimeot, Sauer-danfoss, Komatsu and so on.

OUR ADVANTAGES

- **Expertise in R&D and Design:** Over 20 years of experience in the research, development, and design of high-pressure piston pumps and motors.
- **Manufacturing Excellence:** More than 13 years in factory manufacturing, contributing to high standards and quality production.
- **Standard Development:** Active participation in the development of the Chinese national standard for hydraulic pumps.
- **Patent Portfolio:** Possession of 19 utility model patents and 5 invention patents, showcasing our innovative capabilities.
- **Cost-Effective Production:** Our real factory setup ensures cost-effective production and competitive pricing for high-quality products.
- **Customization and ODM Services:** Strong capabilities in offering customized services and excellent Original Design Manufacturing (ODM) to meet various client needs.
- **Industry Collaboration:** Extensive experience in manufacturing specialized hydraulic pumps and motors for major machinery manufacturers like XCMG

FAQ

Frequently Asked Questions

Q1. Why choose us?

More than 20 years of experience in hydraulic parts design and 14 years of experience in manufacturing branded quality of piston pumps and motors. As a reputed factory supplier, We have many modern production machines and testing equipment, as well as a strict and renowned quality management system. Welcome ODM/OEM inquiry with high quality demand.

Q2. Can I customize the product?

Absolutely. Actually customizing service according to drawing or request, is the most advantage and big difference between HALCYON and common suppliers. We have excellent technical precipitation and mature production process in hydraulic industry.

Q3. Can I have free samples?

Usually no, but negotiable according to different products and orders.

Q4. What's the delivery time?

10-60 days after payment, according to different products and orders.

Q5. How to order?

Inquiry -> Quotation -> Negotiation -> Samples -> PO/PI -> Down payment -> Mass production -> Quality inspection -> Book Space -> Balance/Delivery -> Further.
