### Our Product Introduction

#### Basic Information

- Place of Origin: Guangdong, China
- Brand Name: HALCYON
- Model Number: A10VSO45
- Minimum Order Quantity: 1 piece
- Price: Negotiable
- Packaging Details: Wooden Box + Pallet
- Delivery Time: In Stock: 1-3 day(s); Out of Stock: Customization time depend on specific circumstances
- Payment Terms: L/C,D/A,D/P,T/T,Western Union,MoneyGram
- Supply Ability: 900 pieces per month

#### Product Specification

- Condition: New
- Application: Heavy Machinery
- Video Outgoing-inspection: Provided
- Machinery Test Report: Provided
- Warranty: 1 Year
- After Warranty Service: Online Support, Video Technical Support
- Color: Customer's Requirement
- Customized: Available
- OEM: Available
- Highlight: Rexroth A10VSO axial piston pump, A10VSO variable displacement pump, A10VSO hydraulic pump with warranty

## Product Description

### Rexroth A10VSO Series Axial Piston Variable Pumps

High-performance A10VSO series axial piston variable pumps including models A10VSO18, A10VSO28, A10VSO45, A10VSO71, and A10VSO100 for industrial hydraulic applications.

HALCYON

## Product Description

### Product Overview

A10VSO hydraulic axial piston pump assembly featuring:

Swash plate type axial piston variable pump for hydrostatic transmission in open circuits

Constant pressure, constant power, and load sensing control capabilities

Reserved serial port for series operation with other pumps

### Available Models & Brands

We offer perfect interchangeable replacements for world-renowned hydraulic brands. Contact us if you cannot find your specific model.

GUANGZHOU HALCYON-HYDRAULIC CO. LTD

## ABOUT US

Guangzhou Halcyon-Hydraulic Co. Ltd was founded in 2010 and is located in Guangzhou National High-tech Development Zone. Our main business is to develop and manufacture high pressure piston pumps, motors, spare parts, integrated products of hydraulic system, and equipments repairing and remanufacturing. The company has passed ISO9001 quality certification, and has been awarded as "Contract and Trust worthy Enterprise" and "Guangdong High-tech Enterprise".

## OUR ADVANTAGES

- Expertise in R&D and Design:** Over 20 years of experience in the research, development, and design of high-pressure piston pumps and motors.
- Manufacturing Excellence:** More than 13 years in factory manufacturing, contributing to high standards and quality production.
- Standard Development:** Active participation in the development of the Chinese national standard for hydraulic pumps.
- Patent Portfolio:** Possession of 19 utility model patents and 5 invention patents, showcasing our innovative capabilities.
- Cost-Effective Production:** Our real factory setup ensures cost-effective production and competitive pricing for high-quality products.
- Customization and ODM Services:** Strong capabilities in offering customized services and excellent Original Design Manufacturing (ODM) to meet various client needs.
- Industry Collaboration:** Extensive experience in manufacturing specialized hydraulic pumps and motors for major machinery manufacturers like XCMG

## Frequently Asked Questions

### Why choose us?

More than 20 years of experience in hydraulic parts design and 14 years of experience in manufacturing branded quality piston pumps and motors. As a reputed factory supplier, we have modern production machines, testing equipment, and a strict quality management system. Welcome ODM/OEM inquiries with high quality demands.

### Can I customize the product?

Absolutely. Customizing services according to drawings or requests is our primary advantage and differentiates HALCYON from common suppliers. We have excellent technical expertise and mature production processes in the hydraulic industry.

### Can I have free samples?

Usually no, but negotiable according to different products and orders.

### What's the delivery time?

10-60 days after payment, according to different products and orders.

### How to order?

Inquiry → Quotation → Negotiation → Samples → PO/PI → Down payment → Mass production → Quality inspection → Book Space → Balance/Delivery → Further cooperation.
