

China New A11VO60 A11VO75 A11VO95 A11VO130 A11VO145 A11VO190 A11VO260 Axial Variable Piston Pump

Our Product Introduction

for more products please visit us on hydraulicmachineryparts.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: HALCYON
- Model Number: A11VO130
- Minimum Order Quantity: 1 piece
- Price: Negotiable
- Packaging Details: Wooden Box + Pallet
- Delivery Time: In Stock: 1-3 day(s); Out of Stock: Customization time depend on specific circumstances
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 900 pieces per month

Product Specification

- Condition: New
- Application: Tunnel Boring Machine , Concrete Pump Truck
- Video Outgoing-inspection: Provided
- Machinery Test Report: Provided
- Warranty: 1 Year
- After Warranty Service: Online Support, Video Technical Support
- Color: Customer's Requirement
- Customized: Available
- OEM: Available
- Highlight: **A11VO axial variable piston pump, A11VO60 hydraulic pump, A11VO190 variable displacement pump**

Product Description

China New A11VO Series Axial Variable Piston Pumps

HALCYON

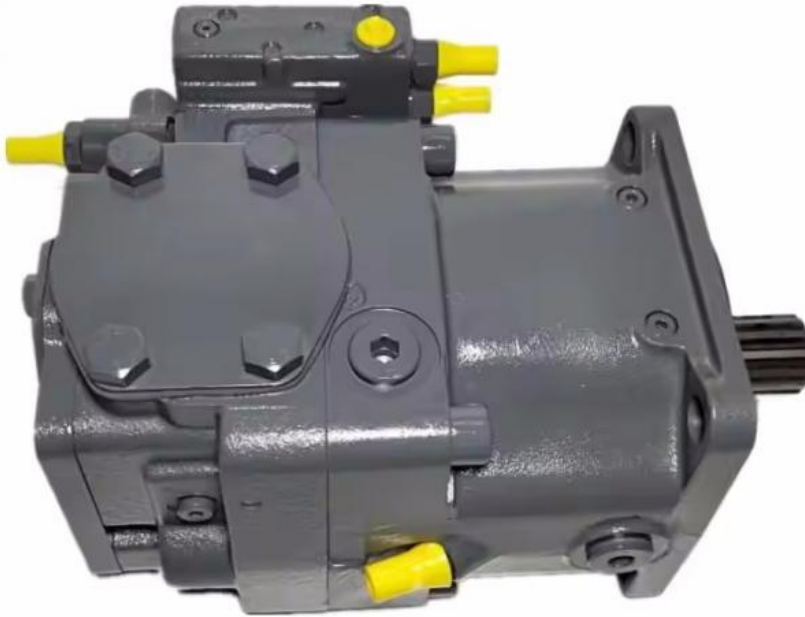

Product Description

Rexroth Axial Variable Piston Pump A11VO130

Swash plate type axial piston variable pump for hydrostatic transmission in open circuits

Output flow proportional to driving speed with stepless variation between maximum value and zero

Multiple control options to meet diverse operational requirements

We provide perfect interchangeable replacements for world-renowned hydraulic brands including Rexroth, Eaton, Parker, Kawasaki, Tokimec, Sauer-Danfoss, Komatsu and more.

Available Replacement Models

FACTORY

GUANGZHOU HALCYON-HYDRAULIC CO. LTD

ABOUT US

Guangzhou Halcyon-Hydraulic Co. Ltd was founded in 2010 and is located in Guangzhou National High-tech Development Zone. Our main business is to develop and manufacture high pressure piston pumps, motors, spare parts, integrated products of hydraulic system, and equipments repairing and remanufacturing. The company has passed ISO9001 quality certification, and has been awarded as "Contract and Trust worthy Enterprise" and "Guangdong High-tech Enterprise".

GLANCE AT THE WORKSHOP

Material → Machining → Inspecting

Assembling → Testing → shipping

OUR ADVANTAGES

- **Expertise in R&D and Design:** Over 20 years of experience in the research, development, and design of high-pressure piston pumps and motors.
- **Manufacturing Excellence:** More than 13 years in factory manufacturing, contributing to high standards and quality production.
- **Standard Development:** Active participation in the development of the Chinese national standard for hydraulic pumps.
- **Patent Portfolio:** Possession of 19 utility model patents and 5 invention patents, showcasing our innovative capabilities.
- **Cost-Effective Production:** Our real factory setup ensures cost-effective production and competitive pricing for high-quality products.
- **Customization and ODM Services:** Strong capabilities in offering customized services and excellent Original Design Manufacturing (ODM) to meet various client needs.
- **Industry Collaboration:** Extensive experience in manufacturing specialized hydraulic pumps and motors for major machinery manufacturers like XCMG

FAQ

Frequently Asked Questions

Why choose us?

With over 20 years of hydraulic parts design experience and 14 years of manufacturing expertise, we produce high-quality piston pumps and motors. As a reputable factory supplier, we utilize modern production machinery, advanced testing equipment, and maintain a strict quality management system. We welcome ODM/OEM inquiries with high quality requirements.

Can I customize the product?

Absolutely. Customization services according to your drawings or specifications are our primary advantage and key differentiator from common suppliers. We possess extensive technical expertise and mature production processes in the hydraulic industry.

Can I have free samples?

Typically no, but negotiable based on different products and order quantities.

What's the delivery time?

10-60 days after payment, depending on product type and order volume.

How to order?

Inquiry → Quotation → Negotiation → Samples → PO/PI → Down Payment → Mass Production → Quality Inspection → Space Booking → Balance/Delivery → Further Cooperation.
