Frequently Asked Questions

Why choose us?

With over 20 years of hydraulic parts design experience and 13 years of manufacturing expertise, we produce high-quality piston pumps and motors. As a reputable factory supplier, we utilize modern production machinery, advanced testing equipment, and maintain a strict quality management system. We welcome OEM/ODM inquiries with demanding quality requirements.

Can I customize the product?

Absolutely. Customization services based on your drawings or specifications are our primary advantage and key differentiator from standard suppliers. We have extensive technical expertise and mature production processes in the hydraulic industry.

Can I have free samples?

Free samples are typically not provided, but we can negotiate based on different products and order requirements.

What's the delivery time?

Delivery typically takes 10-60 days after payment, depending on the specific products and order quantities.

How to order?

Our ordering process follows these steps: Inquiry -> Quotation -> Negotiation -> Samples -> Purchase Order/Proforma Invoice -> Down Payment -> Mass Production -> Quality Inspection -> Space Booking -> Balance Payment/Delivery -> Future Business.
