A4VSO125FRG130RPJD63K020 AA4VSO Rexroth Hydraulic Piston Pump Axial Variable Displacement Industrial Machine Supply Unit

Our Product Introduction

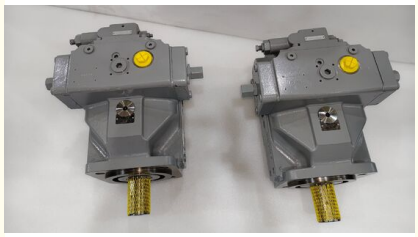

Basic Information

- Place of Origin: China
- Brand Name: HALCYON
- Model Number: A4VSO125
- Minimum Order Quantity: 1 piece
- Price: Negotiable
- Packaging Details: Wooden Box + Pallet
- Delivery Time: In Stock: 1-3 day(s); Out of Stock: Customization time depend on specific circumstances
- Payment Terms: L/C, D/A, D/P, T/T, Western Union,
- Supply Ability: 900 pieces per month

Product Specification

- Condition: New
- Application: Excavator
- Warranty: 6 Months - 12 Months
- After Warranty Service: Online Support, Video Technical Support
- Video Outgoing-inspection: Provided
- Machinery Test Report: Provided
- OEM: Avaliable
- Highlight: **A4VSO125FRG130RPJD63K020 Rexroth piston pump**, **Rexroth axial variable displacement pump**, **Industrial hydraulic piston pump unit**

Product Description

A4VSO125FRG130RPJD63K020 Rexroth Hydraulic Piston Pump Overview

The A4VSO125FRG130RPJD63K020 is an axial variable displacement piston pump engineered for demanding industrial and construction machinery applications. Built on the proven Rexroth A4VSO platform, this unit delivers reliable high-pressure performance with precise flow control, making it a dependable choice for hydraulic system integration, maintenance, and replacement.

A4VSO125FRG130RPJD63K020 axial variable displacement hydraulic piston pump.

Genuine Factory-Manufactured A4VSO Series Pumps

We supply genuine factory-manufactured A4VSO series pumps, including the A4VSO71, A4VSO125, A4VSO250, and A4VSO355 models. Each unit is built for construction machinery and industrial hydraulic systems requiring sustained high-pressure operation and long service life.

Interchangeable Replacements for Leading Hydraulic Brands

We supply interchangeable replacements for many of the world's renowned hydraulic brands, including Rexroth, Eaton, Parker, Kawasaki, Tokimec, Sauer-Danfoss, Komatsu, and more. If you cannot find your required model in the table below, please contact us for assistance.

Brand Name	Model Number
Rexroth	A10VSO10/18/28/45/60/63/71/85/100/140; A2F12/23/28/55/80/107/160/200/225/250/350/500/1000; A4VSO40/45/50/56/71/125/180/250/355/500/750/1000; A7VO28/55/80/107/160/200/250/355/500; A6VM28/55/80/107/140/160/200/250/355/500/1000; A7V12/28/55/80/107/160/200/225/250/355/500; A11V40/60/75/95/130/145/160/190/200/210/260; A10VG18/28/45/63; A4VG28/40/56/71/90/125/180/250; A15VSO175/210/280; AP2D25/36

About Guangzhou Halcyon-Hydraulic Co. Ltd

Founded in 2010 and located in the Guangzhou National High-tech Development Zone, Guangzhou Halcyon-Hydraulic Co. Ltd specializes in the development and manufacture of high-pressure piston pumps, motors, spare parts, integrated hydraulic system products, and equipment repair and remanufacturing.

The company has passed ISO9001 quality certification and has been awarded "Contract and Trustworthy Enterprise" and "Guangdong High-tech Enterprise" designations.

Assembling → Testing → shipping

OUR ADVANTAGES

- **Expertise in R&D and Design:** Over 20 years of experience in the research, development, and design of high-pressure piston pumps and motors.
- **Manufacturing Excellence:** More than 13 years in factory manufacturing, contributing to high standards and quality production.
- **Standard Development:** Active participation in the development of the Chinese national standard for hydraulic pumps.
- **Patent Portfolio:** Possession of 19 utility model patents and 5 invention patents, showcasing our innovative capabilities.
- **Cost-Effective Production:** Our real factory setup ensures cost-effective production and competitive pricing for high-quality products.
- **Customization and ODM Services:** Strong capabilities in offering customized services and excellent Original Design Manufacturing (ODM) to meet various client needs.
- **Industry Collaboration:** Extensive experience in manufacturing specialized hydraulic pumps and motors for major machinery manufacturers like XCMG

Guangzhou Halcyon-Hydraulic Co. Ltd factory and production facility.

Our Advantages

Expertise in R&D and Design: Over 20 years of experience in the research, development, and design of high-pressure piston pumps and motors.

Manufacturing Excellence: More than 13 years of factory manufacturing experience, contributing to high standards and quality production.

Standard Development: Active participation in the development of the Chinese national standard for hydraulic pumps.

Patent Portfolio: 19 utility model patents and 5 invention patents, demonstrating our innovative capabilities.

Cost-Effective Production: Our real factory setup ensures cost-effective production and competitive pricing for high-quality products.

Customization and ODM Services: Strong capabilities in customized services and excellent Original Design Manufacturing (ODM) to meet diverse client needs.

Industry Collaboration: Extensive experience manufacturing specialized hydraulic pumps and motors for major machinery manufacturers such as XCMG.

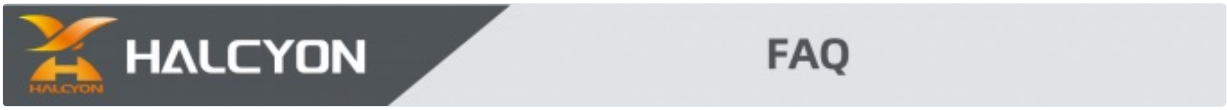

Hydraulic pump precision manufacturing equipment.

Hydraulic piston pump quality testing and inspection.

Hydraulic pump assembly workshop.

Halcyon hydraulic pump product packaging and delivery.

Frequently Asked Questions

Q1. Why choose us?

More than 20 years of experience in hydraulic parts design and 14 years of experience manufacturing branded-quality piston pumps and motors. As a reputed factory supplier, we operate modern production machines and testing equipment alongside a strict, renowned quality management system. We welcome ODM/OEM inquiries with high quality demands.

Q2. Can I customize the product?

Absolutely. Customizing service according to drawing or request is the most significant advantage and key difference between HALCYON and common suppliers. We have excellent technical expertise and a mature production process in the hydraulic industry.

Q3. Can I have free samples?

Usually no, but this is negotiable according to different products and orders.

Q4. What is the delivery time?

10-60 days after payment, depending on different products and orders.

Q5. How to order?

> Inquiry → Quotation → Negotiation → Samples → PO/PI → Down payment → Mass production → Quality inspection → Book Space → Balance/Delivery → Further orders.
